

Initial Phase Report

User Roles

There will be 2 main user roles as the **customer** and the **admin**. Functionalities are divided according to these user roles.

Customer Role

1.User Management

Manages the access of the customer to the web app. Consists of below functionalities.

- Customer registration
- Customer login
- Forget password procedure
- Viewing user profile
- Updating user profile
- Deleting account

2.Music Management

Manages customer's view of the covers and the lessons.

2.1 Cover management

Consists of below functionalities.

- Viewing all available music covers
- Filter covers (Filter by category, price range & no of downloads)
- Search music covers

2.2 Guitar lessons management

Consists of below functionalities.

- Viewing all available lessons and exercises
- Filter covers (Filter by category, price range & no of downloads)
- Search music covers

In addition to above functionalities **customer feedback** management falls under Music management.

Customer can submit feedback.

Customer can update or delete feedback.

3.Order management

Manages all the activities from adding an item to the shopping cart to checking out for payment. Consists of below functionalities.

- Adding an item (cover / lesson) to the shopping cart (multiple items)
- Viewing shopping cart
- Removing an item from the shopping cart.

4.Payment management

Manages the payment procedure. Consists of below functionalities.

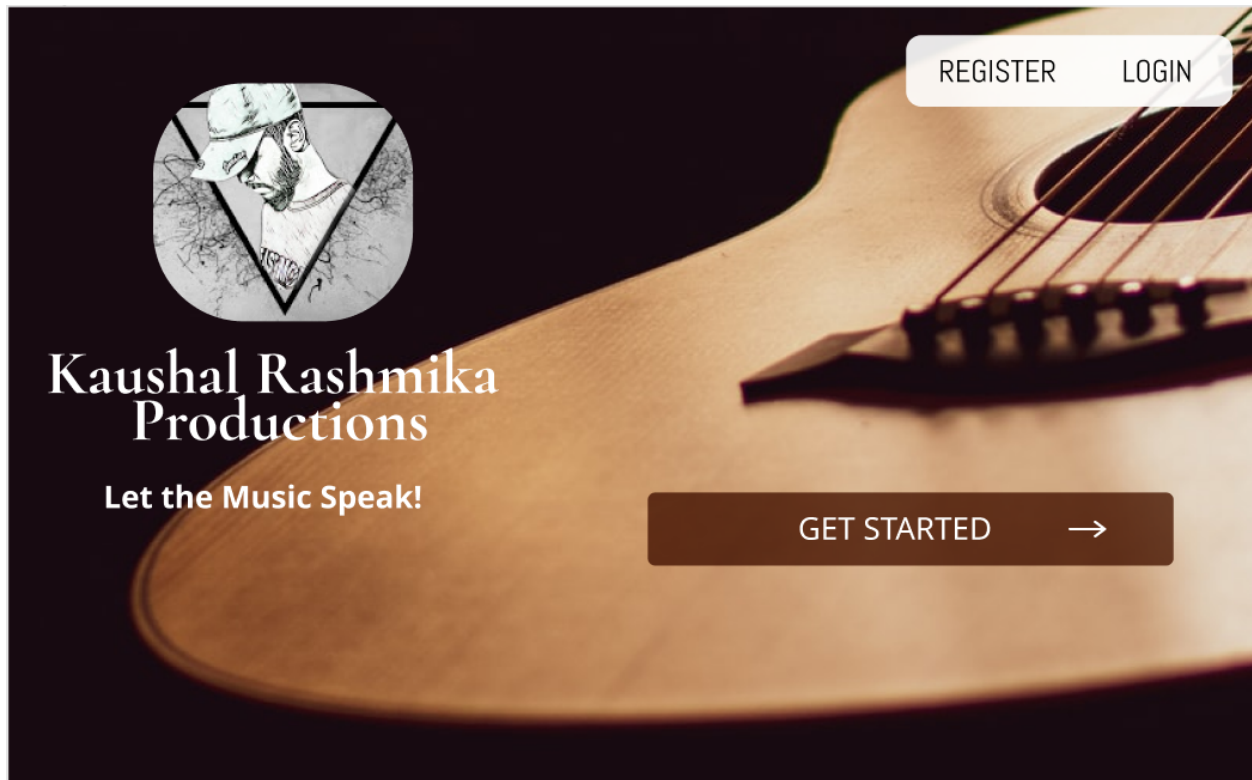

- Providing download permission after payment is done
- Viewing purchase history

Admin Role

According to the current discussions, the admin role will consist of below functionalities.

- Adding new music covers (classical guitar covers)
- Adding new guitar lessons and techniques
- Setting the availability of covers and lessons
- View all covers and lessons
- Edit (update/ delete) covers and lessons
- Update music categories (add/ remove)
- View customer feedback
- View statistical details

User Interfaces

Initial Page

The image shows a 'Sign In' form. The background is a light gray with a pattern of musical notes and staves. The form is centered and contains the following elements: a title 'Sign In' in a bold, black, sans-serif font; a label 'Username' in a smaller, bold, black, sans-serif font; a text input field with the placeholder text 'Username'; a label 'Password' in a smaller, bold, black, sans-serif font; a text input field with the placeholder text 'Password' and a small eye icon to its right; a large, dark brown button with the text 'Sign In' in white; a link 'Remember me' in a smaller, black, sans-serif font; a link 'Forgot Password?' in a smaller, black, sans-serif font; and a link 'Not a member? Sign Up' in a smaller, black, sans-serif font.
